Re: Internal Audit

On May 5, 2008 we have examined the financial records of the State Center Federation of Teachers (SCFT), Local 1533 for the period January 1, 2008 through December 31, 2008. We have found these records to be in good order. This examination was performed by a committee of members of SCFT, Local 1533 and was not conducted in accordance with generally accepted accounting principles.

Based upon our examination we consider the attached financial statements or the period January 1, 2008 through December 31, 2008, to be an accurate summary of transactions conducted during that period.

One recommendation is that employees of the union submit a new W-4 and have a stated dollar amount deducted for both state and federal tax purposes. This is due to the fact that too little, or no, taxes are being withheld since the dollar amounts, on a monthly bases, are below the threshold.

Sincerely,

Sandy Bolt, Secretary/Treasurer SCFT 1533

James M, Member SCFT 1533

Sheila Martin, Grievance Chair SCFT 1533
