b. Bargaining/Negotiations Update – Keith discussed the on-going negotiations around an MOU for the fall. Among the major issues are stipends or labs, class caps and PPE. There was some discussion of lay-off language too. Word is that Dual Enrollment is not to be prioritized.

c. Budget Ideas – some discussion was had around how the district could save money considering the emergency. That is, how can the District trim costs without losing jobs. Among the topics discussed were the emergency power that boards have to move restricted funds into

unrestricted to help offset costs; the possibility of a golden handshake; the possibility of reduced contracts or volunteer furloughs.

6.2 Bargaining Unit Data (Inez) – Inez reported on continuing fluctuations of the membership. Lacy commented that the trend of folks moving in and out of the unit doesn't make sense.

6.3 Financial Update (Doug) – Doug reported that we're holding steady but expressed concern over COVID related enrollment declines and potential PT lay-offs.

6.4 AFT Convention – Lacy will be our delegate.

6.5 Town Hall Meeting Reflection -- there was general agreement that general membership meetings should be live and Zoom in the future. 154 attendees is something we have never seen.

6.7 Bargaining Survey –

6.8 Leadership Survey – Parnell is up for renewal, so this may be a good time to survey our membership about the leadership in the district at all levels. Keith announced that we will be sending this out to the membership but would like the Exec to take a look for feedback.

6.9 Another "Town Hall" will be held in a couple weeks.

6.10 Released Time letters – Keith announce that these will be going out on the 20<sup>th</sup>.
